

SANTA CRUZ COOPERATIVE SCHOOL

We are a recognized and prestigious long-standing educational organization with more than 60 years of experience. We are looking for a:

Secondary Science Teacher

(Biology, Chemistry, Physics)

Purpose of the role:

Provides high-quality, inquiry-based instruction in Biology, Chemistry, and Physics, fostering a positive learning environment, supporting diverse learners, and collaborating with colleagues to advance schoolwide goals.

Requirements:

If you meet the following requirements, we invite you to send your Resume, a letter of introduction, and letters of recommendation to:

jobs@sccs.edu.bo and **calarcon@sccs.edu.bo**

- Bachelor's degree in Science or related field (Master's preferred)
- Minimum 2 years of secondary teaching experience
- Strong knowledge in Biology, Chemistry, and Physics
- Teaching certification
- Fluent in English
- Proficient in Google Workspace and digital tools

We value:

- Strong classroom management and student engagement
- Ability to support diverse and English-language learners
- Excellent communication and organizational skills
- Collaborative, team-oriented mindset
- Positive relationships with students and families

We offer our team members a great working environment with competitive salaries, a supportive community, professional development opportunities, and continuous training.
